

Eaton County Road Commission
Access Control/Video Surveillance system

Bid Tabulation
March 2, 2021

<u>Bidder</u>	<u>NTE Bid</u>	<u>Notes</u>
Siemens	\$ 125,763.00	Vehicle Long Range Reader uses employee access control cards, would need pedestal mounted in concrete slab and bollards installed to protect the pedestals at each door.
Moss	\$ 127,551.45	Vehicle Long Range Reader with pushbutton transmitter (like a garage door opener). Reader mounted on the building.
SecurAlarm	\$ 206,000.00	Vehicle reader uses cards placed in the vehicle. Range is up to 16 feet. Did not say how reader would be mounted.

Only significant difference in the proposals is in the vehicle access.

On March 2, 2021 at 10:00 a.m. the bids for Access Control/Video Surveillance System were opened. At a Regular Meeting of the Board of Eaton County Road Commissioners held on March 23, 2021 the bid for Access Control/Video Surveillance System was awarded to Siemens.
