

**Eaton County Road Commission
2024 Smithville Bridge Construction Engineering
Consultant Proposal Summary**

02/26/2024

Proposal price
using 500 hrs
inspection

	<u>Hours</u>	<u>Totals</u>		
		<u>Cost</u>		
SSI	654	\$ 75,920.00	\$	75,920.00
Rowe	490	\$ 59,960.00	\$	82,040.00
Spicer Group	615	\$ 80,123.62	\$	84,309.07
Mannik Smith		\$ 194,845.00		

Notes:

Rowe and Spicer Group included less than 500 hours of inspection, the RFP directed the consultants to use 500 hours in their proposals so a column was added to compare costs using equivalent inspection hours

Mannik Smith did not provide a separate price for each project and included only 500 hours of inspection for both projects. Price shown is the total for both projects using 1,000 hours of inspection for both projects.
